

WHIZ ACADEMY

Join Our Team

Help Bridge Nigeria's Digital Divide

About Whiz Academy

Whiz Academy is a subsidiary of the SIME Foundation and a social enterprise committed to bridging the digital and technological gap between rural and urban communities across Nigeria by enlightening, educating, and empowering underserved communities with practical digital and technology skills. Our mission is to ensure equitable access to quality digital education that prepares learners for opportunities in today's digital world.

Following the success of our annual Offa Digital Literacy Program (ODLP), we are expanding into a year-round learning model that will serve rural communities across Kwara State and eventually throughout Nigeria.

We are seeking passionate individuals to join our growing team.

Position 1

Digital Literacy Instructor (Paid)

Employment Type: Full-Time / Part-Time / Contract (Renewable)

Location: Offa, Kwara State

(Travel to nearby rural communities may occasionally be required.)

Job Overview

The Digital Literacy Instructor will facilitate engaging, practical, and learner-centred training sessions for children, teenagers, and adults enrolled in Whiz Academy's Digital Literacy Cohort Programme and Bootcamps.

You will inspire learners, simplify technology concepts, and contribute to curriculum improvement while helping build digitally empowered rural communities.

Key Responsibilities

Training & Instruction

- Deliver high-quality digital literacy training.
- Teach using practical, project-based methods.
- Adapt lessons for different age groups and skill levels.
- Create an engaging and inclusive classroom environment.
- Curriculum Delivery

Teach modules including:

- Computer Fundamentals
- Microsoft Office

- Google Workspace
- Internet & Email
- Digital Safety
- AI Fundamentals
- Digital Productivity
- Online Collaboration
- Basic Graphic Design (Canva)
- Introduction to Coding (desirable)
- Learner Support
- Assess learner progress.
- Provide constructive feedback.
- Support struggling learners.
- Mentor learners throughout the programme.
- Programme Support
- Prepare lesson plans.
- Maintain attendance records.
- Submit weekly reports.
- Participate in instructor meetings.
- Support outreach activities where required.

Working Pattern & Arrangements

- Part-Time Contract
- Approximately 10 to 20 hours per week
- Primarily weekday evenings and Saturdays
- Additional hours during Bootcamps and holiday programmes
- Hybrid planning meetings with in-person teaching
- Flexible scheduling based on the cohort timetable

Person Specification

Essential

- Diploma or Bachelor's degree in Computer Science, ICT, Education, Information Systems, or related field (or equivalent practical experience)
- Strong digital skills
- Excellent communication skills
- Comfortable speaking before groups
- Passion for teaching
- Good interpersonal skills
- Ability to simplify technical concepts
- Strong organisational skills
- Reliable and professional

Desirable

- Previous teaching or facilitation experience
- Experience working with children or young people

- Experience delivering community training
- Knowledge of Canva, Scratch, HTML/CSS, Python or AI tools
- Experience with Google Classroom or Learning Management Systems

What We Offer

- Competitive instructor remuneration
- Flexible working arrangements
- Continuous professional development
- Instructor training and certification opportunities
- Leadership opportunities as the organisation grows
- Opportunity to shape digital education in rural Nigeria
- Networking with education and technology professionals
- Meaningful social impact

Position 2

Volunteer

Training & Community Support Volunteer

- Media & Communications
- Photography

- Videography
- Social media
- Graphic design
- Content creation
- Technical Support
- Set up laptops
- Troubleshoot devices
- Prepare learning equipment
- Administration
- Registration
- Attendance
- Documentation
- Logistics
- Mentorship

Support learners by providing:

- Career guidance
- Motivation
- Academic encouragement
- Project feedback

Working Pattern & Arrangements: Flexible.

Most volunteers contribute between 4 and 10 hours weekly
or

During specific programmes such as:

- Bootcamps
- Community outreach events
- Weekend training sessions

Remote volunteering opportunities are also available for selected roles.

Person Specification

Essential

- Minimum age of 18 years (16–17-year-olds may be considered for selected youth volunteer roles with appropriate supervision)
- Passion for community development
- Positive attitude
- Willingness to learn
- Good communication skills
- Dependable and committed
- Ability to work in a team

Desirable

- Digital skills
- Event planning experience
- Photography or media skills
- Teaching experience
- Graphic design
- Coding
- Public speaking
- Community engagement

Volunteer Benefits

- Volunteer Certificate
- Recommendation Letter (subject to satisfactory service)
- Free training and professional development sessions
- Mentorship opportunities
- Networking with technology professionals
- Leadership development
- Opportunity to transition into future paid roles
- Opportunity to make a lasting impact in rural communities

Selection Process

The recruitment process consists of:

Stage 1

Online Application

Complete the application form and upload any required documents.

Stage 2

Application Review

Applications will be assessed against the role requirements.

Stage 3

Interview

Shortlisted candidates will be invited for either:

Virtual Interview or Physical Interview

Stage 4

Practical Assessment (Instructor Applicants Only)

Applicants may be asked to deliver a 10-15-minute micro-teaching session or to demonstrate relevant digital skills.

Stage 5

Reference & Background Checks

Successful candidates may be required to provide one or two referees.

Stage 6

Onboarding

Successful applicants will receive orientation and training before joining the programme delivery.

Equality, Diversity & Safeguarding

Whiz Academy is committed to creating an inclusive environment where everyone is treated with dignity and respect. We welcome applications from individuals of all backgrounds, regardless of gender, disability, ethnicity, religion, or socioeconomic status.

Because our programmes involve working with children and young people, successful applicants will be expected to uphold Whiz Academy's safeguarding and child protection policies, maintain professional conduct, and complete any required safeguarding training before programme delivery.

How to Apply

Interested applicants should submit:

- Completed Application Form
- Updated CV or Résumé (for paid roles)
- Short statement outlining why they would like to join Whiz Academy (200 to 500 words)
- Links to portfolios or previous work (where applicable)

Application Deadline: 31/08/2026

Start Date: October 2026
